Mr. Prendergast:

WSDOT is in receipt of Skanska serial letter No. 215 (Skanska SL-215), RE: Sammamish River Lateral Migration & Channel Migration Risk Mitigation Workshop, dated July 23, 2025.

Based on the discussion in the workshop meeting on August 7, 2025 regarding more innovative solutions, WSDOT is withholding the final determination while the project teams complete additional cooperative efforts to develop a Contract compliant solution. If this new effort provides a Contract compliant solution, WSDOT will work toward closure of outstanding issues regarding Lateral Migration.

Sincerely,

Evelyn Pao, P.E.
