Tanks and Building Rotation**

Mr. Prendergast:

WSDOT is in receipt of Skanska SL 282, *Dispute Notification – Issue 0187 (Protest 004) – 522 BRT Hub Comfort Tanks and Building Rotation*, dated November 20, 2025, submitted in conformance with Section 1-04.5(1) *Disputes*. When Skanska is ready to proceed with the formal Dispute Review Board (DRB) process, please develop and submit a Dispute Referral to the DRB chair in alignment with RFP Section 1-04.5(1).18, *Standard Procedure for Consideration of Dispute*.

WSDOT will continue to work with Skanska to resolve this in combination with other issues, hoping to reach a common solution.

If you have any questions, please contact me at (425) 495-1577.

Sincerely,

Evelyn Pao, P.E.
