WSDOT SL No. 9727-180

Reference: **Contract No. 9727**
I-405, Brickyard to SR 527 Improvement Project

Subject: **RE: Response to WSDOT SL No. 9727-149 – WSDOT Laboratory Testing
Package 01**

Mr. Prendergast:

WSDOT is in receipt of Skanska SL 244 - Response to WSDOT SL No. 9727-149 – WSDOT Laboratory Testing Package 01, dated September 30, 2025. WSDOT has reviewed the dry density presented and has provided a corrected laboratory submittal.

As stated in serial letters 132, 140, 148, 149, and 150, these laboratory results are for the exclusive use of Skanska and for the specific application to this project and site. The Haley & Aldrich and State Materials Laboratory completed this laboratory work in accordance with generally accepted geotechnical practices for the nature and conditions of the work completed in the same or similar localities, at the time the work was performed. We make no other warranty, expressed or implied. Note that the responsibility for design remains with the Design-Builder as detailed in RFP Section 1-02.1 and 1-02.4.
