Subject: **RE: Skanska SL 175 – Notice of Newly Discovered Wetland – Closed**

Mr. Prendergast:

WSDOT issued SL 9727-128 RE: Newly Discovered Wetland – N. Fork Perry Creek, West Side (Skanska SL-205), dated July 22, 2025, wherein WSDOT requested information from Skanska to substantiate any time or cost impacts attributed to said wetland. To date, Skanska has provided no information to substantiate either time or cost impacts. Lacking any such information, WSDOT can only conclude there is no merit to the impacts claimed under Skanska SL-205 and therefore considers the matter closed.
